XMAS CHINA.

FELL INTO EXCAVATION.

Woman Badly Hurt at the Smith-Crawford Building.

By reason of a fall into the excavation for the Smith-Crawford building, Miss Alice Miller is suffering from injuries that may prove fatal, or leave her a cripple for life. The fall occurred in the darkness, and the injured woman declares no barricade was up and no warning lights were burning. Suit for heavy damages may be instituted against the city and contractor.

Miss Miller is a stranger in Pendleton. She came here a few days ago and obtained work as a domestic through an employment agency. She is without means, and the county court is at present looking out for her.

The force of the fall rendered the woman unconscious, and she lay for more than an hour before help arrived. Her groans at last attracted the

attention of some women who were passing, and with the assistance of men Miss Miller was taken from the excavation, and her injuries attended to.

Miss Miller's knee cap was badly cut by the jagged rocks in the pit, and her hands and body badly bruised.

CHARLEY CULP ARRESTED.

Said to Have Purloined a Horse When Drunk.

Charley Culp, a Umatilla Indian, recently released from the state penitentiary, where he served 10 months for horsestealing, is again under arrest, charged with a like offense. He was arraigned yesterday afternoon in the state circuit court, and was given until Saturday to plead.

Culp is charged with taking a cayuse belonging to Too-la-let-se. The Indian is said to have been intoxicated when he appropriated his neighbor's horse.

Returned From Denver.

J. F. Wilson returned this morning from Denver, Col., and took the train for Walla Walla. Accompanied by his daughter, Mrs. Bessie McKinney, he left for Denver several weeks ago in hopes of benefiting his daughter's health. It was too late, however, to be of any help, and she died last Tuesday.

Charged With Seduction.

Ed Culp was brought to this city last night by Sheriff T. D. Taylor, to answer to a charge of seduction. He was admitted to bail in the sum of \$350. Complaint was brought against Culp by John Welch, step-father of Barbara Ham.

Will Move to Walla Walla.

A. McRae was a passenger on this morning's train for Walla Walla. Mr. McRae has accepted a position with the Drumheller Hardware Co., of that Walla Walla. He has secured a house in Walla Walla, and his family will move there next week.

Rev. A. A. Arthur, formerly pastor of the Christian church at Exeter, Neb., is under arrest at Hiawatha, Kan., charged with forgery at Paris, Texas. He has confessed and will return to Texas without extradition.

AS TO COUNTY LINE

SUBJECT TO BE BROUGHT UP IN THE LEGISLATURE.

Much Property Interests Are Involved—Hon. Douglas Belts Is Urging the Members of the Legislature From Union and Umatilla Counties to Get Together on a Measure That Will Bring About an Early and Permanent Settlement of the Subject.

Hon. Douglas Belts, of Pilot Rock, was in the city yesterday in conference with members of the legislature in relation to a measure looking to the determination of the boundary line between Umatilla and Union counties. There is a portion of the mountain section near Kamela and from thence to the head of McKay and Starkey prairie, where the boundary has never been established, and it is certainly for the interest of both counties that it be settled authoritatively.

Mr. Belts' idea is that the delegations in the legislature from Union and Umatilla counties agree upon a bill providing for a commission to do the work. There should be no disagreement, as there is considerable taxable property involved and both counties are alike interested.

A PRETTY ENTERTAINMENT.

A Talented Lady Impersonator and Vocalist.

A number of our people who have heard Miss Katherine Trevitte in the East are on the qui vive over the announcement by the Congregational Ladies' Aid Society that they have secured this matchless entertainer for the evening of Tuesday, December 20, when she will appear at the Congregational church.

The hackneyed phrase, "great talent," and the overworked adjective, "splendid," have entirely new meanings when applied to Miss Katherine Trevitte and her professional work.

From a long list of press notices the following is selected:

Chicago Tribune.—Miss Trevitte's work is free, entirely so, from mannerisms—she is naturalness itself, and her naturalness is supplemented by superb taste and great culture. Her audiences in Chicago are delighted with her impersonations.

ADAMS WATER SYSTEM.

Said to Be Best Quality of Water in Umatilla County.

H. F. Shultz, who was in charge of the construction of the sewer system here, was a passenger on this morning's train for Colfax, Wash. He will install a water system there. The water is to be brought a distance of 14 miles, and it is estimated the cost will approximate \$50,000.

He has just completed the putting in of a water system at Adams, the cost of which was \$3000. Mr. Shultz says that Adams now has the best water system in the county from the standpoint of purity of the water. He expects to return in the spring and install a water system at Athena.

Two Carloads of Fruit.

The Columbia Produce Company yesterday shipped into Pendleton for local consumption two carloads of lemons, oranges, nuts, figs and candies, in all 50,000 pounds. One car contained nothing but oranges. The shipment was consigned to John B. Benson, local manager of the company.

Valuable Stallion Sick.

One of A. C. Ruby's imported 3-year-old Percheron stallions, was taken very sick yesterday with acute indigestion, and apparently the animal came near dying. Dr. Lloyd V. S. was summoned as soon as he could be found, and the animal is making a good recovery.

Creditors' Official Meeting.

The creditors of Frank R. Blair, bankrupt, met before Thomas Fitz Gerald, referee in bankruptcy this morning and appointed S. M. Barnes trustee. Barnes' bonds were fixed at \$1500. Blair's indebtedness amounts to about \$2200. He conducted a store at Weston.

Charles S. Mullen, formerly president of the Northern Pacific, now president of the New Haven & Hartford, aspires to go to the United States senate from Connecticut.
